Faith & Mission

Hello and Welcome

Faith & Mission.

Faith & Mission

Faith and a deep commitment to our Catholic faith is central to daily life at Avila College. Students are encouraged to explore their spirituality and live the Gospel and Presentation values in all that they do.

Our rich liturgical program brings our faith to life in a powerful and compelling manner, drawing our community together through prayer, music and reflection.

Avila College's Religious Education curriculum challenges students to deepen their understanding of Catholic identity through teachings, symbols, rituals and traditions, while also learning about other faith communities and belief structures around the world.

Embracing Diversity

We proudly celebrate our culturally diverse and multi faith learning community. Within our Catholic environment we teach and practice respect and understanding for all cultures and religions.

Service & Justice

In the spirit of Nano Nagle, we are inspired to serve our community through "deeds not words" .-

Our students and staff participate in a range of social justice initiatives that build a deep awareness, inspire purposeful action and produce active and informed citizens who can enact change in the world around them.

Students are able to express their service to others through fundraising drives, volunteering work (Sacred Heart Mission, Halcyon Centre), community engagement activities, awareness raising events and active participation in the Young Vinnies, Reconciliation and Sustainability groups.

Our learning

Avila College's extensive co-curricular program provides students with enriching learning experiences beyond the classroom and the opportunity to develop skills, contribute to the community, interact with like-minded peers and discover new talents.

Each lunchtime, before and after school, the Avila College campus is a hive of activity as students engage in their co-curricular pursuits. From robotics to writing, drama and coding, there is a club to suit every interest.

Co-curricular options include

- Junior Drama Club
- Debating and Public Speaking
- Reconciliation Group
- Coding Club
- Book Club
- Craft Club and Crochet Club
- Quill & Ink Writers Group
- Orchestra and music ensembles
- Fitness Club
- Sustainability Group
- Robogals
- Art Club
- Book Club
- Games Group
- Stage Crew
- Young Vinnies

Sport

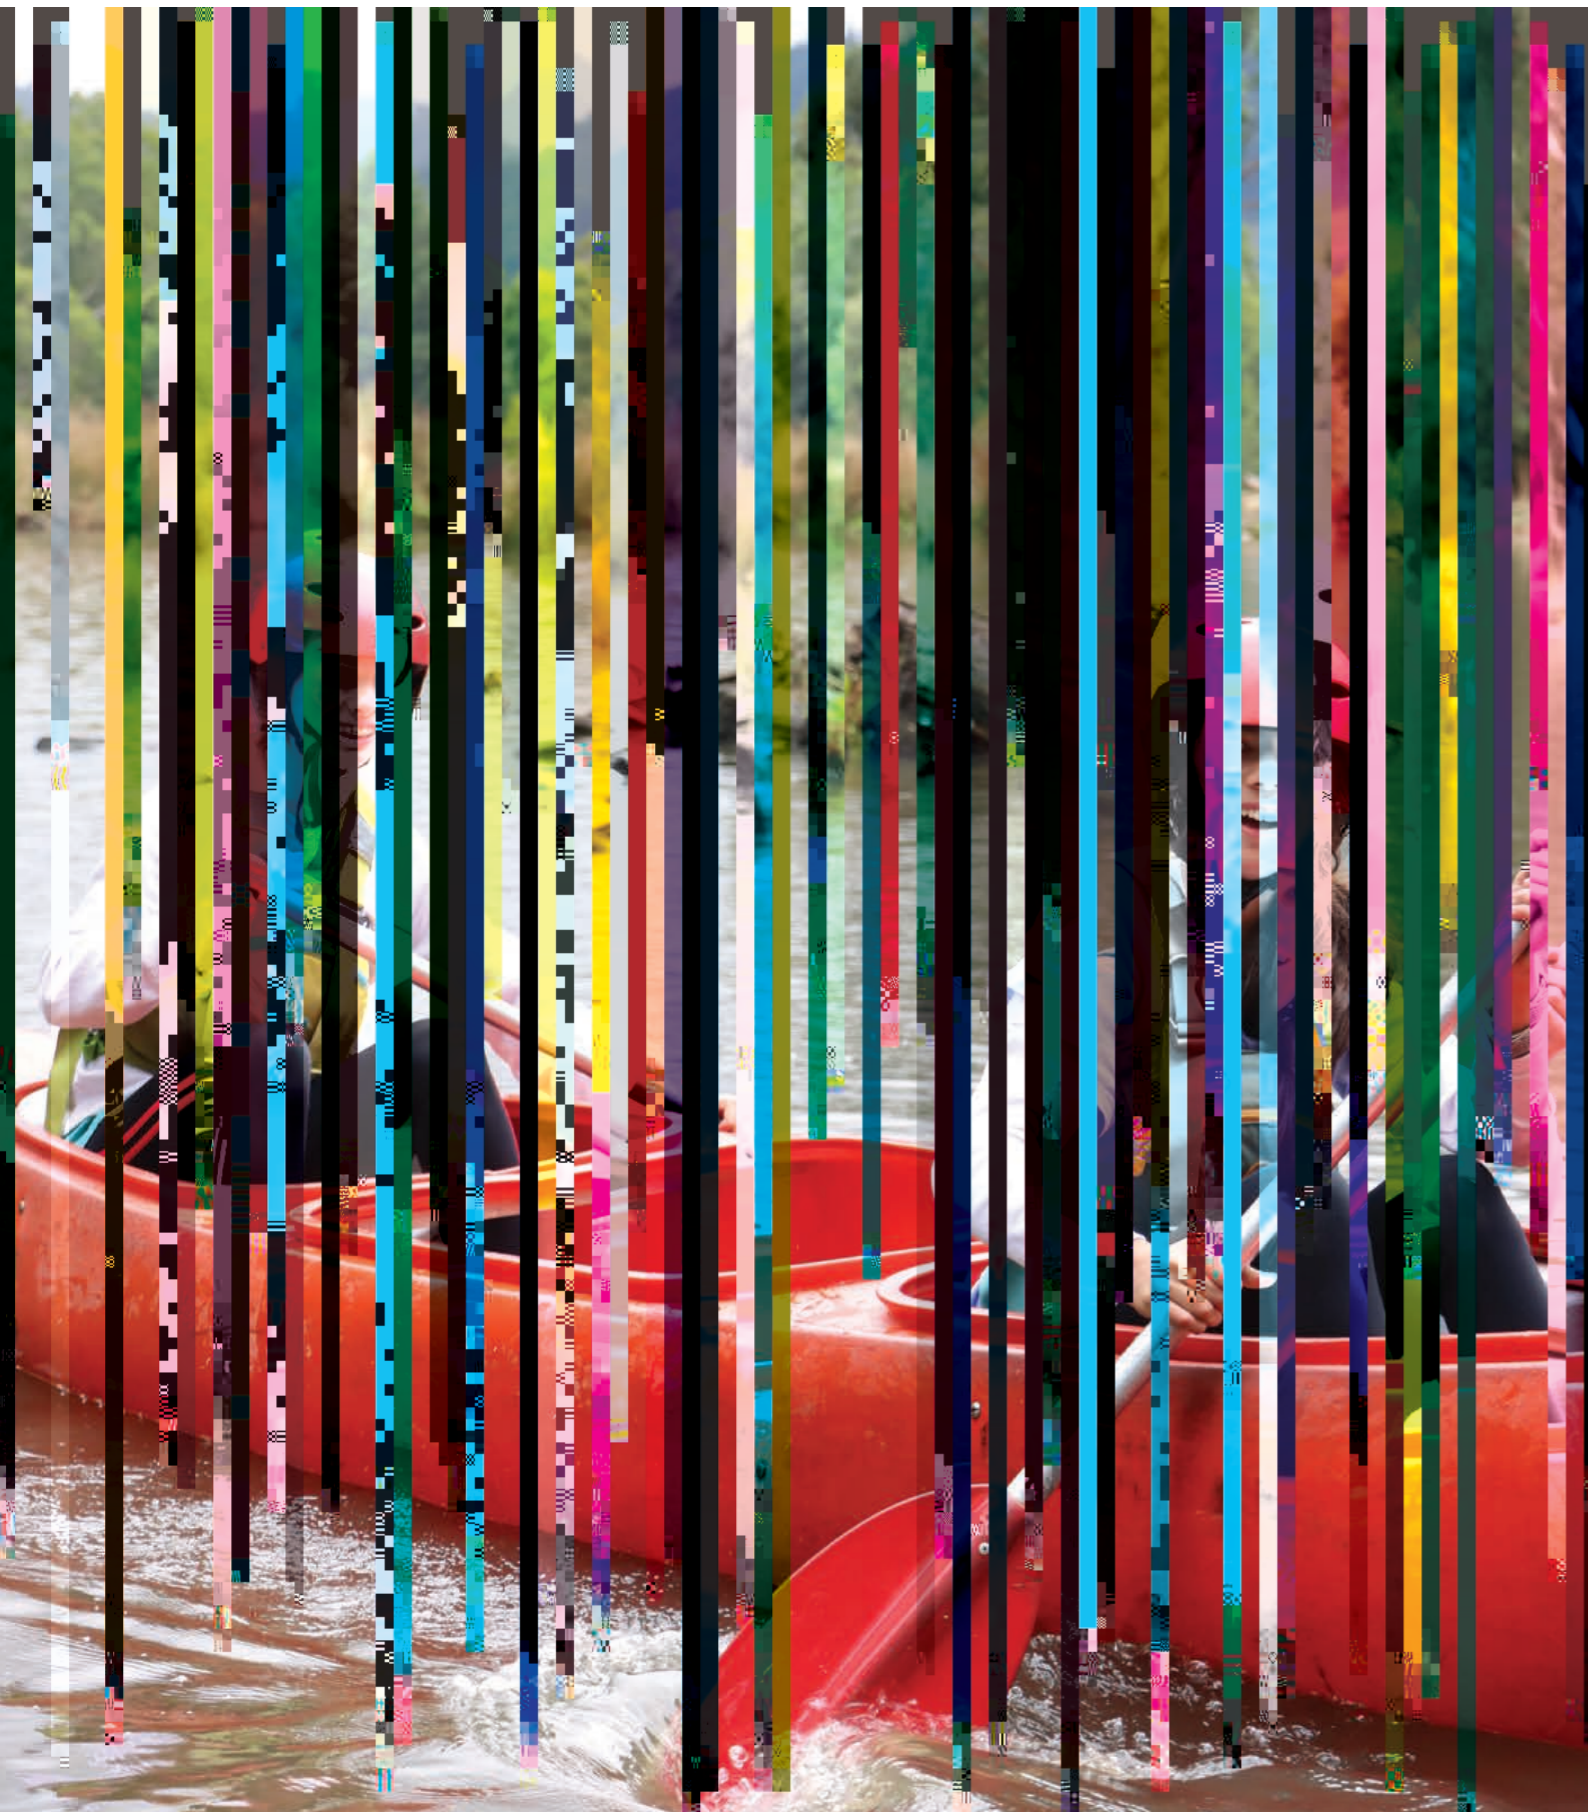

As a member of the SCSA network, Avila College students can enjoy the physical challenge and fun of training and competing in a team through inter school and house sports.

Sports on offer at Avila

- Aerobics
- Tennis
- Soccer
-

Wellbeing. Respect. Resilience.

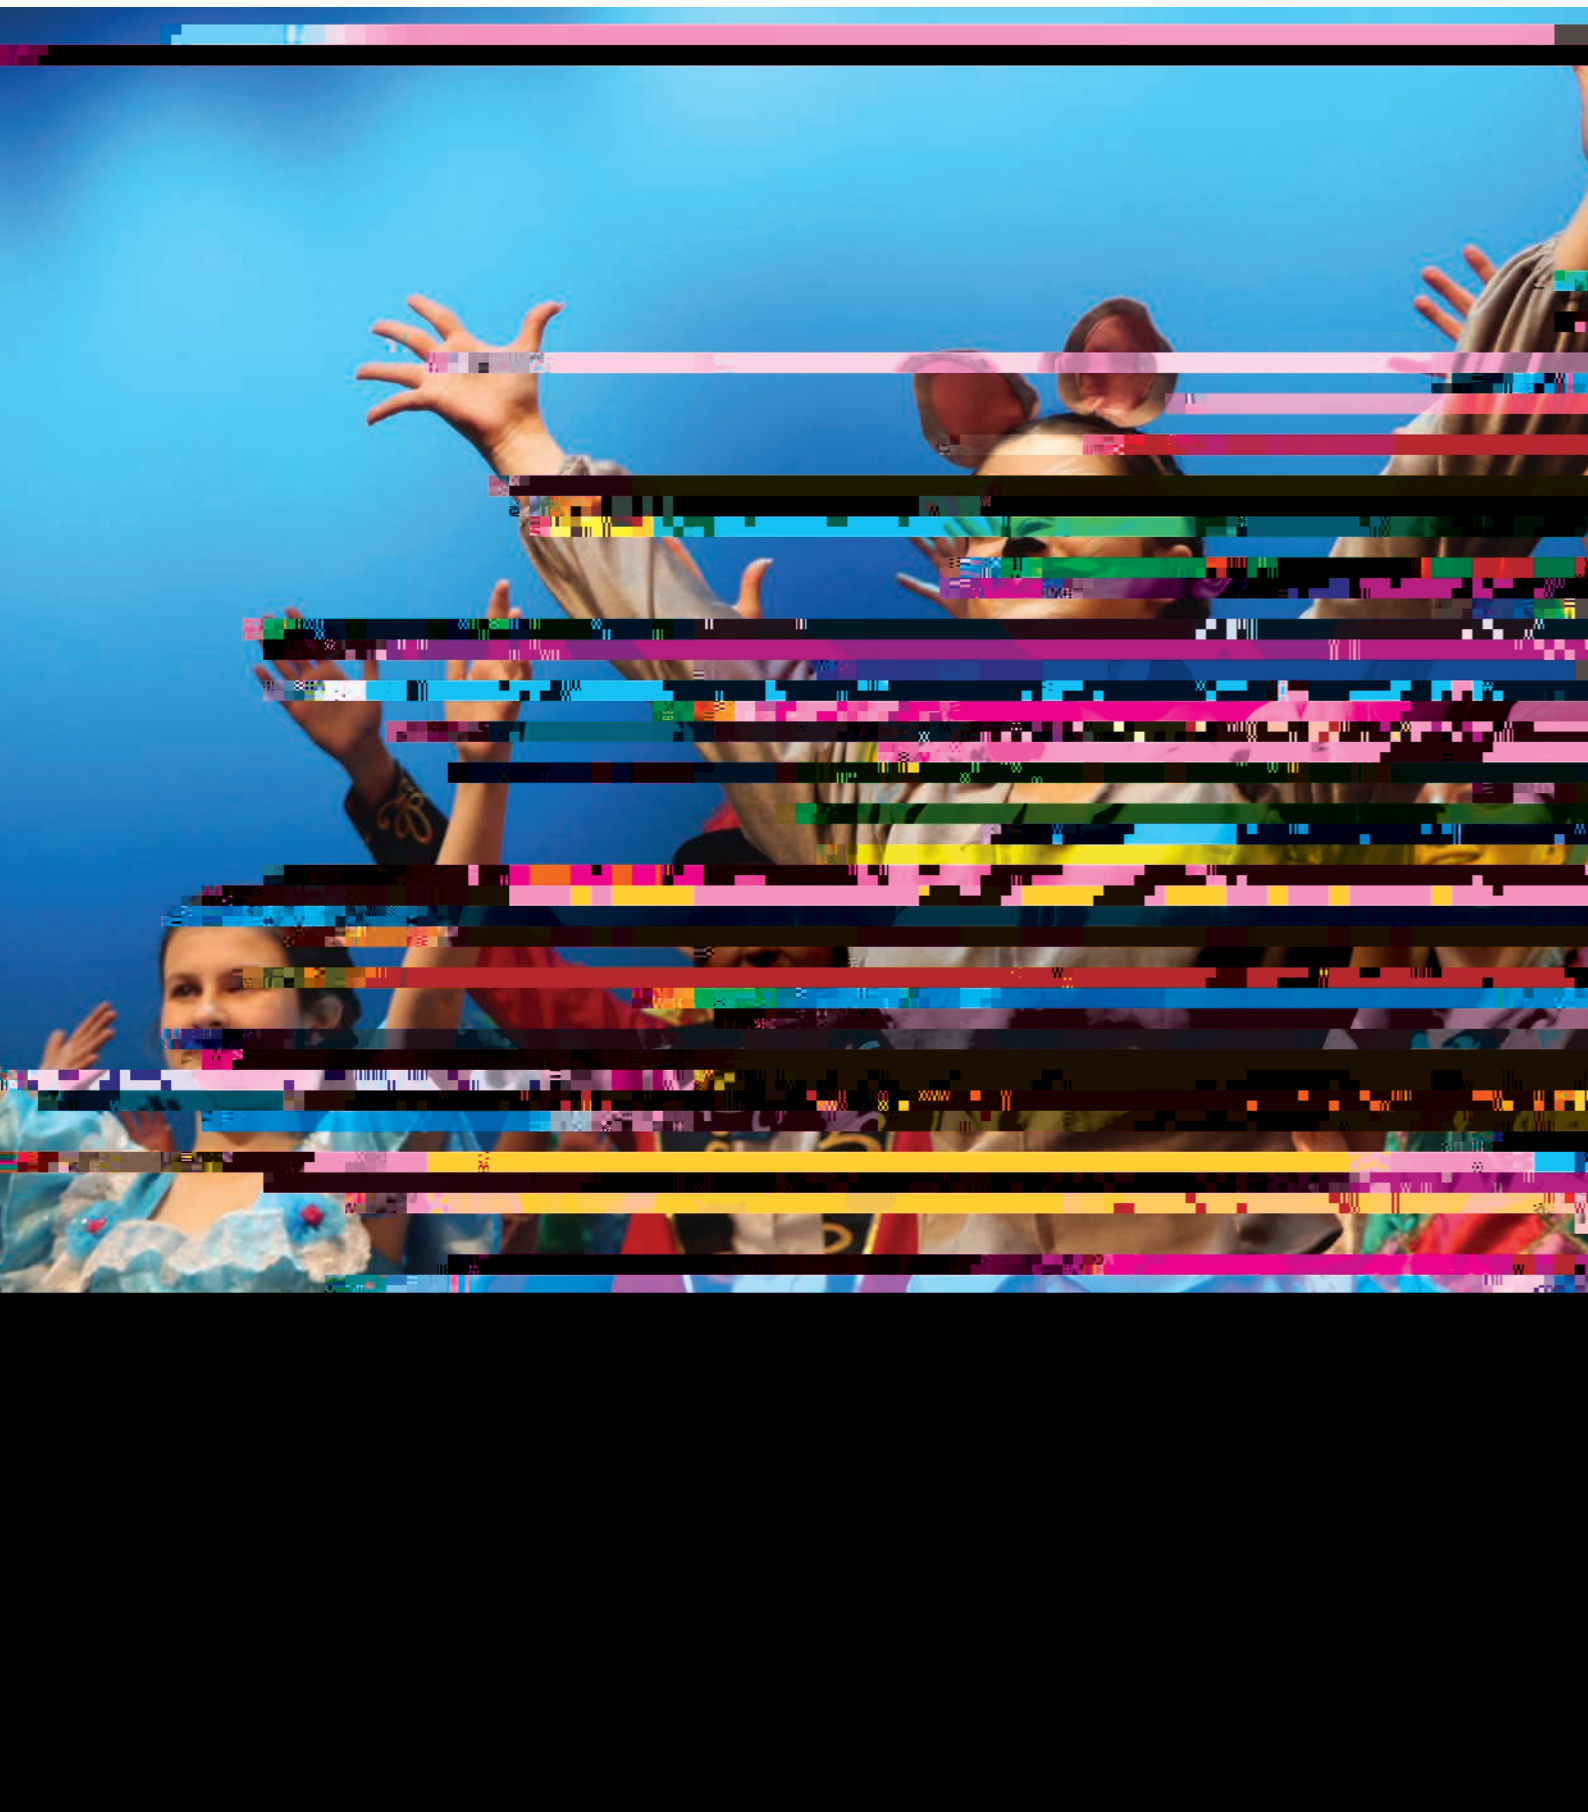

City Inquiry

City Inquiry is a civic and social equity educational program that fosters students' research skills, critical analysis and collaborative learning while developing

Innovation. Leadership. A seat at the table.

Surrounded by positive female role models

Express yourself.

The celebration of creativity is an integral element of the culture and character of Avila College, and extends beyond the classroom into every facet of school life.

Students have many opportunities to establish and develop their individual talents, express themselves and create unforgettable school life experiences by embracing their creative passions.

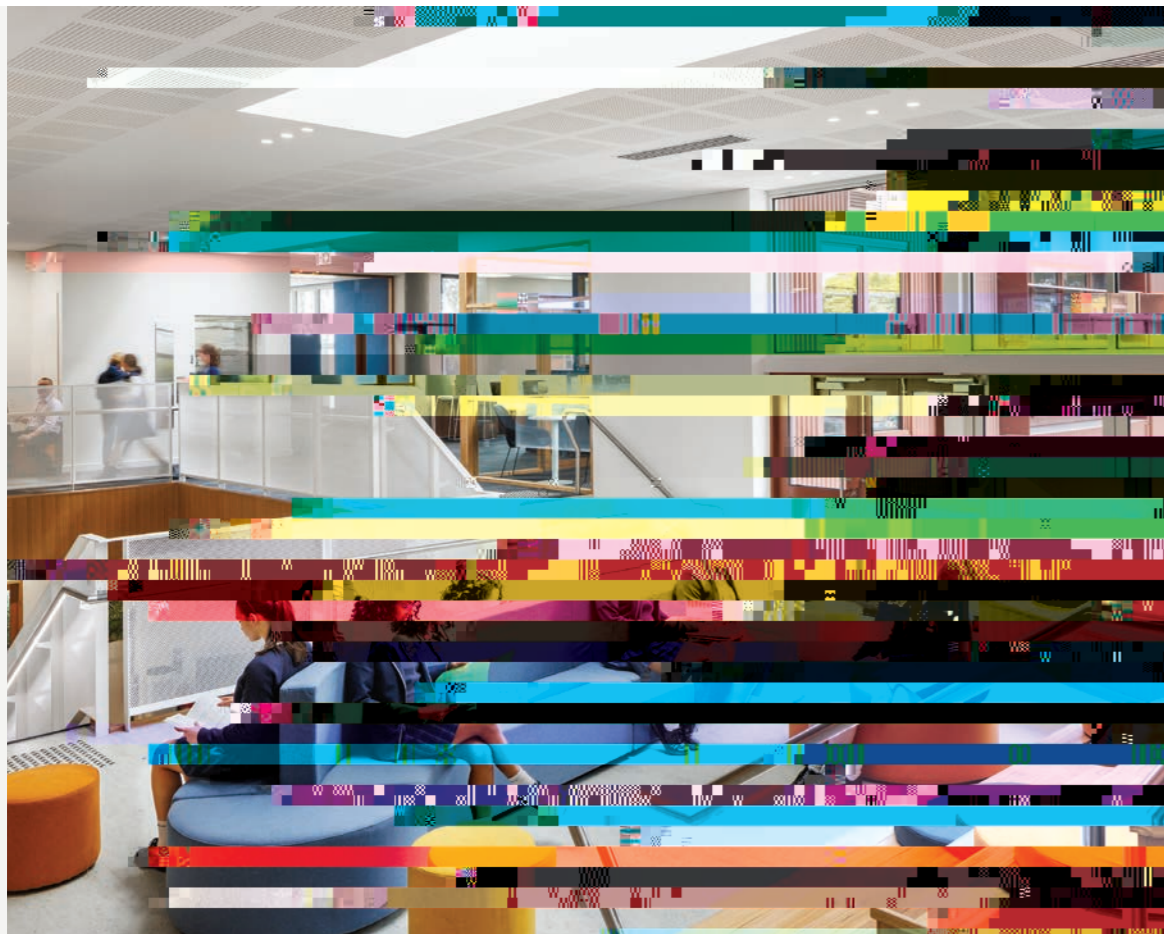

Music

Finding your forte is easy within the Avila College Music School, a haven for aspiring musicians and singers. The innovative Year 7 program offers students a choice of instrument so they can discover their own individual rhythm early on, and learn how a ourselvesdic Sche part of an orchestral experience.

With an enviable reputation for nurturing

Looking to the Future.

In line with our fast paced and rapidly changing global environment, we continually evolve our physical and virtual spaces to reflect best practice, modern pedagogy and student experience.

Our Heritage.

“The Presentation Sisters teaching at Avila were nuns at the cutting edge of education; they were the original Women’s Libbers who instilled in the girls the concept of

Becoming an Avila student.
